Santa Margarita Ecological Reserve
Bird Walk with Charity Hagen

These walks begin promptly at 8:00 am

During this walk, we will be looking for migrant and resident birds in oak woodlands and chaparral. Birds will be pointed out both by sight and sound. This is a slow-paced walk with the objective of observing birds.

Charity Hagen is a local birder with over 30 years' experience with the local bird, animal and plant life of Southern California. She delights in sharing her knowledge with others to help them appreciate and protect the natural world around us.

Directions to the South Field Station Entrance

1. Take the Mission Road exit on I-15 and follow Mission Road west toward Fallbrook. Drive 1.6 miles to Willow Glen Road and turn right.
2. After 2.2 miles, Willow Glen Road intersects with Stage Coach Lane and turns into a dirt road, virtually at the River.
3. Turn right (your only option) onto Stage Coach Lane and drive 1.7 miles to the locked gate of the Reserve. The gate will be opened for tour participants, who will park in a dirt parking lot at the entrance to the citrus grove, about a half mile past the gate.

NOTE:

- You **MUST go down WILLOW GLEN ROAD** to get to the reserve. **Very often a GPS will send you in a wrong direction.**
- The dirt road that parallels the river is beautiful but winding, rutted and slow driving.
- We start promptly at 8:00. Please allow 25 minutes to drive from the 15 Freeway / Mission Road off-ramp to the Reserve trailhead.
